LIBRARY DIRECTOR EMERGENCY SUCCESSION POLICY

Approved by the Rochester Public Library Board of Trustees on January 19, 2022.

If Rochester Public Library (RPL) is faced with the sudden departure of the Library Director, the RPL Board of Trustees will consult the Library Director Emergency Succession Plan and work with City of Rochester Human Resources and the City Administrator to determine temporary and long-term leadership. Within two weeks of departure, RPL Board of Trustees will appoint a Division Head with an MLS to serve as Acting Director until a Library Director is hired.
